### California Firearm Dealer Transfer Approval

This form must be filled out and signed by the purchaser of any firearm being shipped to the state of California, unless the buyer is law enforcement and exempt from transfer restrictions.

The purchaser must verify that his receiving dealer will accept the firearm being purchased. Orders will not be shipped to the state of California without this form being completed.

Submission of this form is acknowledgement that the purchaser has verified that the firearm is legal to own in California and the receiving FFL dealer will accept and transfer the firearm. Osage County Guns will not be responsible for restocking fees or shipping expenses for firearms deemed not transferrable by the receiving FFL dealer. Osage County Guns is not responsible if purchaser or receiving dealer mistakenly indicates the firearm is transferrable and it is not.

Osage County Guns will not give advice or interpret the CA Approved Handgun Roster since we are not receiving the firearm and completing the transfer. This form supersedes any perceived communication with Osage County Guns staff that may indicate a firearm is or is not legal and compliant in California and any such communication should be considered invalid.
